Green Building

COURSE DESCRIPTION:

Pursuant to AB 621 of the 2007 Legislative Session, certain purchases of tangible personal property that become a fixture of/or an integral or inseparable part of a building that has been approved by the Nevada Office of Energy as meeting the qualifications of a LEED Building, are exempt from any local taxes (but not the 2% state tax.) The speaker in this seminar will inform contractors how they can legally take advantage of this tax saving as well as many others by building green.
