EXPLANATION OF SERVICES

- Onsite Safety Inspections with written report and recommendations to keep your company in compliance with OSHA Regulations.
- AGC onsite safety inspections make your company eligible to be evaluated for the AGC's Safe Site Award which is given to the contractor who shows outstanding safety performance for the month. As the winner your company will have a featured article and picture in the AGC's Construction Connection magazine and be presented with a plaque of achievement in safety.
- AGC consultant will be available to accompany you during an OSHA inspection, we will review any citations issued and give our recommendations and will be present to represent you during informal conference of contested citations.
- Customized training for employees.
- Accident Investigation
- Contractor Specific Safety Manual
- Tool Box Talks Manual with pre-written safety topics to help you conduct your safety meetings.
- Safety Audit to assure compliance with OSHA regulations.
